Response to 10/02/08 Office Action

**AMENDMENTS TO THE SPECIFICATION**

Please replace paragraph [0026] with the following:

According to the invention, the frame 2 comprises a first channel 10. This first channel ~~20~~ 10 is represented in dotted lines in FIG. 1. The first channel 10 comprises an elongated form complementary to a form of the handlebars 7. The handlebars 7 are designed to be housed in this first channel 10 when folding the bicycle.
